

## Playball at Marlow C of E infant School

Playball is a multi-sport and movement programme teaching all the main ball sports (tennis, football, cricket, rugby, hockey, basketball, baseball & netball). Your children will not only improve their sport techniques, but our specially designed programme also develops their listening, concentration, confidence and social and cognitive skills.

We have a few places still available for the following classes:

**Year 1 – Monday Lunch Club**

**Reception – Thursday After School Club**

Book via website – [www.playballkids.com](http://www.playballkids.com) (just search for classes in Marlow and scroll down to school name)

Any questions don't hesitate to email me at:
