

Dear God,

Thank you for our friends and families.

Thank you for the school and everyone in it.

Thank you for the outdoor areas and our classrooms.

Please help us to show understanding and respect for each other and we ask, that you help us to persevere with our learning.

Thank you for filling us with kindness, so we can share it with others.

Please help us to forgive others even when it is tricky.

Thank you for our school values, so that we can share them around the world.

Amen.
