

*Inspire Learning, Ignite Curiosity*

**Marlow Church of England Infant School  
Looked after Children Policy  
2022**

***Then God said, "Let us make humankind in our image, in our likeness"***

***Genesis 1:26***

**Rationale**

At Marlow Church of England Infant School our curriculum vision is to inspire learning and ignite curiosity within a welcoming Christian and spiritual community. We embrace the uniqueness of everybody and are inclusive of all. Our values of respect, kindness, perseverance, forgiveness, thankfulness and service guide all that we do and our aim is for every child to feel nurtured, supported and safe.

Our belief is that every individual is created in God's image and therefore is precious and valuable. We believe in treating everybody with respect and dignity because we acknowledge everyone's God given value and unique identity

We aim to achieve this by providing children with the opportunity to work towards achieving their full potential by:

- Embracing the uniqueness of everybody and be inclusive of all
- Empowering all to be enthusiastic learners
- Ensuring that every child feels nurtured, supported and safe
- Enriching learning through progressive teaching methods and technology
- Being responsible to and for society
- Being good citizens of the planet

As a school we support the rights of children and these rights are encompassed in UN Convention of the Rights of the Child. This policy focuses on helping to realise Article 28 *All children have the right to a quality education.*

**Aims**

- To provide a safe and secure environment, where education is valued and potential and ability of all children is promoted.
- To bring the educational achievements of our Looked After Children nearer to those of their peers.
- To recognise our role as a corporate parent to promote and support the education of our Looked After Children.
- To ensure that carers and social workers of Looked After Children are kept fully informed of their child's progress and attainment
- To ensure that pupils are involved, where possible, in decisions affecting their future provision.
- To ensure that Looked After Children take as full a part as possible in all school activities

**Rationale**

Looked After Children are one of the most vulnerable groups in society. The majority of Looked After Children have suffered abuse or neglect and it is nationally recognised that there is considerable educational underachievement with these children when compared to their peers.

As a result, as the children have progressed through their academic life, they have experienced poor exam success rates in comparison with the general population with fewer Looked After Children progressing to Higher Education, following progression pathways that will lead to future economic success and well-being.

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (section 20)
- children who are the subjects of a care order (section 31) or interim care order (section 38)
- children who are the subjects of emergency orders for their protection (sections 44 and 46)
- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's Home, in a residential school, with relatives or with parents under supervision.

Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school.

All these groups are said to be 'Looked After Children' (LAC). They may be looked after by our local authority or may be in the care of another authority but living in ours.

Looked After Children may (or may not) have some or all the following issues:

- low self esteem
- poor education standards due to time out of school
- delayed social/emotional/ cognitive development
- be bullied or bully others
- be prone to mental health issues
- be isolated with few friends
- have behaviour issues
- poor attachments to others
- have a need to be very private.

Marlow C of E Infant School is committed to ensuring that these children are supported as fully as possible and will ensure that the following are in place, and are working effectively:

- a Designated Teacher for Looked After Children
- Personal Education Plans for all Looked After Children
- all staff have a clear understanding of confidentiality and issues that affect looked after children.
- effective strategies that support the education of this vulnerable group.

### **The Virtual School**

The Virtual School for Children in Care is a statutory service provided by the Local Authority with the main aim of improving the educational outcomes of children in care. It is a small, joint agency, countywide team of specialist staff from education and social care set up in 2001 to improve the educational achievement and experience of Buckinghamshire's children in care. They provide support and challenge to schools, social workers and foster carers to ensure that everyone is working towards this aim. Marlow C of E Infant School will invite staff from the Virtual School to PEP meetings and will ask them to signpost to other services which may be able to support the LOOKED AFTER CHILDREN. The Virtual School hold the Pupil Premium Plus funding for all children in care in Buckinghamshire and ensure that this is spent based on individual need in order to close the gap. Marlow C of E Infant School will always be aspirational in our expectations for these children so that the Pupil Premium Plus funding can be used in the most effective manner to raise their progress and attainment.
